

## Kasasa Cash Back® Truth in Savings Disclosures

This disclosure contains the rules that govern your deposit account as of March 1<sup>st</sup>, 2018.

### Account Overview

Kasasa Cash Back® is a free variable reward checking account with no minimum balance that rewards accountholders with cash back on their debit card purchases and nationwide ATM fee refunds when they meet minimum qualifications during the account's Monthly Qualification Cycle.

### Purpose & Use Expectations

The Kasasa Cash Back account is intended to be the accountholder's primary checking account in which payroll transactions and day-to-day spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.

Commensurate with the spending activities identified above, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle are not considered normal, day-to-day spending behavior. These types of transactions appear to be conducted with the sole purpose of qualifying for the account's rewards and thus will be deemed inappropriate transactions and will not count toward earning the account's rewards.

Fahey Bank reserves the right to determine if the account is being maintained for a purpose other than day-to-day, primary use. Accountholders who persist in making debit card and transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different checking account or closed altogether. We also reserve the right to convert the account to a different checking account if the account does not have consistent active use over 3 consecutive Statement Cycles.

We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. A Fahey Bank check for the remaining balance, if applicable, will be mailed to accountholder at the address indicated on our current records. Upon termination of your Kasasa Cash Back account, any optional add-on products / services associated with this account will also be terminated at the same time.

### Qualifications

To earn your rewards just do the following transactions and activities in your Kasasa Cash Back account during each Monthly Qualification Cycle:

- *Have at least 12 debit card purchases post and settle to the account*
- *Receive free monthly e-statements via Online Banking*
- *Be enrolled and log into Online Banking*

Transactions and activities must post and settle to the account during each Monthly Qualification Cycle and may take one (1) or more Business Days from the date the transaction or activity occurred to post and settle to the account.

“Business Day” means a calendar day other than a Saturday or a Sunday, January 1, the third Monday in January, the third Monday in February, the last Monday in May, July 4, the first Monday in September, the second Monday in October, November 11, the fourth Thursday in November, or December 25. If January 1, July 4, November 11, or December 25 falls on a Sunday, the next Monday is not a Business Day.

The following activities do not count toward earning account rewards: ATM-processed transactions, transfers between accounts, debit card purchases processed by merchants and received by our bank as ATM transactions, non-retail payment transactions and purchases made with debit cards not issued by our bank. Transactions bundled together by merchants and received by our institution as a single transaction count as a single transaction for the purpose of earning account rewards.

*“Monthly Qualification Cycle” means a period beginning one (1) Day prior to the first day of the current Statement Cycle through one (1) Business Day prior to the close of the current Statement Cycle.*

“Statement Cycle” means the period of time for which Fahey Bank provides a summary of the financial activities and transactions that post and settle to the account holder’s account.
