Account Overview

Kasasa Tunes is a free variable reward checking account with no minimum balance that rewards accountholders with reimbursements on iTunes, Amazon.com and Google Play purchases and nationwide ATM fee refunds when they meet minimum qualifications during the account's Monthly Qualification Cycle.

Purpose & Use Expectation

This account is intended to be the accountholder's primary checking account in which day-to-day spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.

Commensurate with the spending activities identified above, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle are not considered normal, day-to-day spending behavior. These types of transactions appear to be conducted with the sole purpose of qualifying for the account's rewards and thus will be deemed inappropriate transactions and will not count toward earning the account's rewards.

Fahey Bank reserves the right to determine if the account is being maintained for a purpose other than day-to-day, primary use. Accountholders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different checking account or closed altogether. We also

reserve the right to convert the account to a different checking account if the account does not have consistent active use over 3 consecutive Statement Cycles.

We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. A Fahey Bank check for the remaining balance, if applicable, will be mailed to accountholder at the address indicated on our current records. Upon termination of your Kasasa Tunes account, any optional add-on products / services associated with this account will also be terminated at the same time.

Transactions bundled together by merchants and received by our institution as a single transaction count as a single transaction for the purpose of earning account rewards.

“Monthly Qualification Cycle” means a period beginning one (1) Business Day prior to the first day of the current Statement Cycle through one (1) [Business Day prior to the close of the current Statement Cycle.
