Jon
Dear Friends of the Center,

Thank you for your donation to and support of our Senior Citizen's Day Celebration. Because of the tremendous support we received from friends like you and your organization, this year's event was a tremendous success!

We also want to take this opportunity to "formally" thank you for your continued support throughout the year. Without friends like Fahey Bank, the Marion Senior Center could not provide the level of activities, programs and services that are enjoyed by our members and the senior citizens of Marion County on a daily basis.

Once again, thank you for your generosity! We appreciate your continued support.

Best Regards,

Steve Badertscher
Director

Dana Hanif
Activity Coordinator
