Dear Friend of Pheasants Forever:

I cannot begin to tell you how much your support of this years banquet means to Marion County Chapter 594 of Pheasants Forever. We had a very good banquet and had our largest attendance to date. We were able to, with your generous support, give everybody that came to the banquet a door prize. The banquet held on March 23, 2013 raised approximately \$10,500 to support the continued improvement of wildlife habitat, education of our youth, and general promotion of outdoor activities here in Marion County. Without your support this would not have been possible.

If you were unable to attend this years banquet, we invite you to join us next year so we can personally thank you for your support. The banquet will be held the fourth Saturday of March 2013. Also, hopefully you might have time to attend our Youth Day this coming fall so you can see your support at work. It is a great time for young and old alike. Watch your mailbox for future details on both.

With the economy being the way it has this past couple of years it is truly remarkable to raise these kind of funds for Marion County Chapter 594. Your support of our efforts is outstanding and I cannot express completely how much it truly means to us. Thank you so very much.

Best Regards,
